- **Coach Conduct.** It is critical that coaches realize that they are responsible for the behavior and conduct of themselves, their assistant coaches, their team members, and their fans / parents. No more than three coaches are allowed on the bench (this includes a score/stat keeper, who will be counted as a coach). **ONLY** the head coach can make comments to the referees or helpers at the scorer's table. If the assistant coach(s) do not comply, the referee is instructed to call a technical foul on the bench. It is your responsibility as a coach to set a positive example for the young men and women of your teams. Even though we have worked to assign highly qualified officials for each game played there will be mistakes and we encourage you to act with class and be a role model for the young people that are playing and watching the game. We recognize that these games may get quite competitive and some calls always seem to go the other way, but in spite of this, we expect proper etiquette and display of sportsmanship from coaches , parents, and fans. The referees will be given full license to eject coaches and fans who exhibit improper or inappropriate behavior.

The site director has the final decision on all on-site issues.
